*A smoking value reveals a deep purple hue to go with gorgeous notes of ripe blue fruits, liquid violets, peppery herbs... Rich, fleshy, full-bodied, and mouth-filling, this is classic Cali goodness in Syrah and ideal for drinking over the coming 4-5 years.*

*Andrew Murray manages to deliver tremendous value in this bottling each year... Bold oak and sweet fruit aromas on the nose lead into a thick palate of black fruit, nutmeg and vanilla, proving powerful and hefty.*

*So often a standout, the Syrah Tous Les Jours is fabulous in 2020. Inky dark fruit, chocolate, spice, lavender and rose petal race across the palate as this juicy, forward Syrah builds in the glass. The 2020 is a flat-out stunner, and an amazing value, too. What a wine!*
