**ANDREW MURRAY WINERY:** 5095 Zaca Station Road. Los Olivos, CA 93441 (805) 686-9604

From US 101 North or South exit Highway 154/San Marcos Pass (50 miles north of Santa Barbara, 30 miles south of Santa Maria). Head East at stop, and take the immediate left onto Zaca Station Road. Drive 2.5 miles, then turn left into Firestone's main gate. (If you are already on Highway 154, you can take Foxen Canyon Road North to the dead end (at Curtis Winery) at the stop sign. Proceed left for 0.5 miles and then turn right into Firestone's main gate. From there, proceed up the hill. Rather than turning left into Firestone Winery, continue straight and follow the signs to Andrew Murray. Please drive carefully, respectfully, and slowly on these private roads. We are approximately 2 miles back; past the County Yard and Jurassic Park (the oil fields), and towards Area 51(our winery). You will pass through one gate, which will open automatically. From here bear right to arrive at Andrew Murray Winery. We are open by appointment only and for special events. To taste our wines, please visit our tasting room.
